2024 CODE CHANGE REQUEST FOR ONTARIO-ONLY PROVISIONS

Have you submitted this change to the Canadian Commission on Building and Fire Codes as a proposed amendment to the National Building or Plumbing Codes?

- ☐ YES
☐ NO

Do you consent to share all information on this form with Building Code Review Committees and the Canadian Commission on Building and Fire Codes for the purposes of code development?

I agree:

- ☐ YES
☐ NO

Will your proposal increase/decrease harmonization with the National Construction Codes?

- ☐ Increase
☐ Decrease
☐ I do not know
Same proposal submitted for NBCC

Is your code change request:

- ☐ Changing an existing Building Code provision, appendix note, supplementary standard
☐ Adding a new Building Code provision, appendix note, supplementary standard

Enter Code Reference of the Requested Change: Division, Part, Section, Subsection, Article, Sentence
(Example: Div. B, 3.17.1.1.(2))

REQUESTED CHANGE/ADDITION:

What is your proposed wording for the change/addition? (Write existing code provision and show changes. Strikethrough for deletion and underlining for new text. Example: "...~~indoor~~ all pools")

ISSUE/GENERAL BACKGROUND:

Why should the existing provision be revised? If requesting an addition to the Building Code, why is it needed?

JUSTIFICATION/EXPLANATION:

How does the requested change address the issue?

2024 CODE CHANGE REQUEST FOR ONTARIO-ONLY PROVISIONS

OBJECTIVE(S): Which of the Building Code's objectives does the requested change address? (See Part 2 of Division A of the Building Code for the list of objectives.)	
COST(S): Will the change bring any added construction costs, including labour, and any other costs? (Please provide detailed information to support your proposal)	
BENEFIT(S): Will it provide benefits and/or savings? (Please provide detailed information to support your proposal)	
ENFORCEMENT: Are there any enforcement issues regarding this change/addition? Will its enforcement require an increase in resources?	
ADDITIONAL CONSIDERATIONS: Who will the change impact? How will the requested change/addition impact code users? (Example: building officials, home owners, designers, builders/contractors, engineers, architects, manufacturers, building/business owners, general public.)	
OTHER COMMENTS: For example, identify other Building Code requirements and other Regulations/Standards that might be impacted by the requested change/addition.	
ATTACH SUPPORTING MATERIAL: (Example: research, test results, statistics, case studies that supports the issues, justification, costs, benefits and other information referred above.)
